Introduction

An award winning entrepreneur, Cheryl Cook specializes in helping business owners who are run by their to-do list, take back control. As the CEO of Small Biz BIG Results, she works with entrepreneurs to trade in their “Chief of Everything” role for the “Chief Executive” role, to get more clients, and to accelerate their business growth.

While she has worked with giants such as AT&T and Caribbean hideaways catering to the rich & famous, she is best known for her step-by-step *Kick in the Assets* plan to get business folks from where they are to *Big Vision Island*.

Cheryl is the author of *Small Business BIG RESULTS*, has been recognized by the SBA, the WNBA and the Business Journal for her achievements as a business owner.
